CULTURAL EXCHANGE: Each day a different activity.
Goal: get to know each other, learn about each other's culture, in fun ways (e.g. learn to make a Vietnamese dish, go on tours of each other's house/dorm, share about traditions for your favorite holidays, trivia night on the US and Vietnam, bring a meaningful object and share why it is special for you, compare favorite music, etc.).

Live activities above will start at 5 PM PDT / 8 PM EDT each day, and conclude between 6:30-7PM PDT / 9:30-10:00 PM EDT, depending on the day of the week, including breaks. Participants can work on offline activities at any time.
